A SHORT DRIVE INTO MICHIGAN

Minutes away from South Bend, premier courses in southwestern Michigan offer golfers additional variety for their play. On a 60-foot bluff overlooking Lake Michigan, **The Golf Club at Harbor Shores**, a Jack Nicklaus Signature Golf Course, opened all 18 holes in 2010. The new course, in the Benton Harbor/St. Joseph area, provides challenging play and spectacular views of this beach and golf-resort community. The 6,856-yard, par 71 layout features three golf terrains — dunes along Lake Michigan, tall trees and rolling hills, as well as wetlands along the Paw Paw River. **The Dunes Club** in New Buffalo, Mich., was ranked by *Golf Digest* in 2010 as the best nine-hole course in America. It is situated on 68 acres of densely wooded sand dunes off Lake Michigan, just 40 minutes from South Bend. Ranked 7th on that list, **Signal Point Club** just over the border in Niles, Mich., is strung along the west side of the St. Joseph River. It was the last nine-hole course to appear on *Golf Digest's* ranking of America's 200 Toughest Courses.
